

Popular Round Shade Sizes & Shapes

This chart shows the standard round sizes used by lamp manufacturers and stocked in retail stores. We have cutting patterns for thousands of sizes and shapes, which are usually priced the same as the closest standard size. If you do not see the size you need, contact us or check our website for the most up-to-date complete list at www.nbls.com/sizes.html. We are proud to offer the widest range of sizes, shapes and materials of any hard-back shade manufacturer.
